

Searchprice Sponsored Deals

STARTING AT
\$49/mo

Put your offer in front of shoppers while they are actively comparing prices.

Searchprice is built for people already looking up products, prices, and local alternatives. Sponsored Deals give businesses a clearly labeled placement inside those high-intent search moments.

What sponsors get

- A clearly labeled Sponsored card inside relevant Searchprice results.
- A destination link to your product page, website, offer page, phone link, or directions.
- Keyword targeting so your offer appears for searches that match your products or services.
- Click tracking so we can report how many people opened your offer.

Starter packages

Sponsored Deal \$49 / month	Featured Local Sponsor \$99 / month	Category Sponsor \$199 / month
One offer matched to relevant product searches.	Higher priority plus broader keyword coverage.	Own a search category such as phones, furniture, tires, or gifts.
Good for testing one product, coupon, or service offer.	Best for local stores that want more discovery.	Best for recurring campaigns and seasonal promotions.

What we need from you

- Business name, offer title, image, destination link, and offer text.
- Keywords customers might search, such as iphone, tires, furniture, gifts, tools, or repair.
- Start/end dates and whether the offer should be local, seasonal, or category-specific.

Good early sponsor fit

Retailers, repair shops, pawn shops, electronics stores, boutiques, furniture and appliance stores, auto parts shops, restaurants with gift cards, and local service businesses.

Intro offer: first 30 days for \$49. If it does not make sense after the first month, do not renew.
